WCD CHURCH UPDATES

LOCKBOURNE CCCU

Lockbourne, OH

Pastor Brett and Amber Dague

Bryson - age 8, Hudson - age 7,

Madison - age 5

Amber and I assumed our duties as pastor of the Lockbourne CCCU on September 1, 2024. God has been leading people back to the church who had left for a time. Adding to our number, we thank the Lord that we have had 95 in attendance for the last two weeks!

I spent the first three weeks sharing our plan for

moving forward as a church. The vision I have cast for the next year is for me to get to know the people, the church culture, and the community.

God has already provided opportunities in the community, as the mayor gave me an open door, and they are thrilled for our church to partner with them. Please be praying for the Lockbourne Christmas Hop on Sunday, December 1st. Our church will be open that afternoon, as we have been asked to provide activities for the children. This will allow us to minister to families who normally would not enter the church building.

As I learn the church culture, the goal is, through prayer and discussion, to make an honest assessment of all ministry areas and then make a plan to mend the broken. With this plan, we will build on the foundation, not of the world's view of Jesus, but a Biblical view of Jesus.

Our family is very excited to be a part of this loving congregation. The entire church body is excited about the future. This is the 100th year of ministry in the Village of Lockbourne. Plans are being made for a celebration before the end of the year. To God be the glory!

We are blessed to have the opportunity to serve the people of Mt. Sterling CCCU and the Village of Mt. Sterling. Our people are welcoming, loving, and hungry for Jesus! I am excited for the future of this great church and grateful for those that have encouraged us along the way.

HOMELAND CCCU

Grove City, OH

**Pastor Malcolm and Debbie
Schoener**

Our first Sunday at Homeland CCCU was on July 7, 2024.

There I found a small congregation of outreach-minded people. We have a street ministry to the homeless and needy once a month in the poorer section of Columbus known as “the bottoms.” The street ministry consists of supplying food, clothing, encouragement and prayer to everyone we possibly can.

Another outreach the church is involved in is supplying book bags and back-to-school materials to the children in our community. In August, we distributed 244 book bags filled with school materials. We also had a clothing give-away the same day. Both were a great success and we praise the Lord for His help!

Since my arrival in July, we have had spirited church services with many seekers at the altar. The people of Homeland Church are growing in their faith, excited about what’s happening and are looking forward to great days ahead.

NEW HOLLAND CCCU

New Holland, OH

Pastor Crystal Spriggs

Crystal Spriggs serves as Administrative Pastor at Heritage CCCU. Approximately five months ago, she and her husband, senior pastor Phil Spriggs, began to feel a burden for some of the churches in our district who are without pastors. They learned of the dire need for pastors and how some churches have closed for lack of pastoral leadership. They became aware of the New Holland CCCU and began praying if perhaps they should provide them support. After meeting with their church board several times along with Rev. Dan Jordan, New Holland was willing to

become a Satellite Church of Heritage CCCU on a trial basis to see if this particular model could fit the future for New Holland CCCU. After learning of the great history of New Holland CCCU and how a great revival there spawned the creation of Heritage CCCU a century ago, Phil and Crystal felt an even deeper and stronger calling of partnering with this church once again.

Crystal began serving as NHCCCU satellite campus pastor in July of this year. She provided sermons for a couple of months while the church installed a new projector and screen system that would be equipped to show Pastor Phil's Sunday sermons in their sanctuary.

Those sermons began in early September and the new process is going very well. Visitors are coming, plans are being made to add a Children's Director, and God is working through this new venture. Crystal is providing pastoral support in the areas of administration, visitation, and leading the service up until the message time. Along with the awesome board of NHCCCU, Phil and Crystal are diligently praying for God's next steps for this church. Please cover this venture in prayer that God will continue to lead them in the direction that He has planned.
