

A TIME OF THANKS

We are very grateful to our God who allows us to serve in the Brazos de Jesús Project. We are about to end the school year, graduating 12 sixth-grade students and 32 kindergarten students. We see how God is transforming lives and changing the future of this generation. They have been removed from daily life in the city landfill – a place where no human being deserves to be. We wish you could see the excitement that many parents have when they know that their children will soon graduate! (They always thought that this was an unachievable dream.)

Rejoice with us because God has been good, and His support has been with the school. There is still a lot to do and dreams to fulfill. Next year we will add seventh grade. We also are programming vocational classes for next year so that our young people will have good future job opportunities. We are confident that God will continue to support the school and its ministry.

We thank you for your prayers and support. God bless you.

“In everything give thanks; for this is the will of God for you in Christ Jesus.” 1 Thessalonians 5:18

Blessing,

Tim, Aleyda, Max, Lucas and Timothy
